

Stay Connected - Primary Students!

Dear Family,

Curriculum

I hope that you are enjoying the A Beka curriculum, which provides the finest educational resources based on a Christian worldview perspective. According to A Becka, historically students instructed under this curriculum score above national averages on standardized tests and on college entrance tests. In fact, when A Beka is compared to the Common Core State Standards, A Beka Book language arts and mathematics objectives were found to already meet almost all Common Core content standards.

Communication

I will be contacting all families on the first Tuesday of every month to talk about the student's progress and answer any questions you may have. You can also message or call me anytime between 8-3 pm Eastern Time if you have questions about the curriculum or your student's progress. My number is 866-488-4818 ext: 2415. My e-mail address isprimaryschool@enlightiumacademy.com.

Grading

For Pre-Kindergarten (2 years old) - Kindergarten (4 years old), please follow the format of the grading requirements I have previously sent you. For Kindergarten (5 years old) - 2nd grade, the language arts and math progress reports within the lesson plan spirals are for record keeping. If you stay up to date on recording the progress reports, turning in grades should be simpler.

I look forward to working with you this coming school year. Please feel free to email or call if you have any questions.

Lana Fenina

Primary School Counselor

Enlightium Academy

In her spare time, Lana enjoys drinking coffee with friends and reading books. At her church, she serves by teaching pre-k Sunday school and singing in the choir.
