

## EA High School Community Service Verification Form

Students who have been enrolled at EA for two or more years are required to complete at least thirty-two (32) hours of community service over the course of the student's high school years (9th-12th grade). If a student enrolled in Enlightium Academy for the first time as a senior, only eight (8) hours are required. All hours must be completed prior to receiving a diploma. If any activities last more than one day (such as camps), a maximum of 8 hours is allowed to be counted for one day.

Community Service can be any service that is done for non-profit and/or religious organizations. It's a great way to give back to your community and to promote personal growth. Some of the things you can do is help children and schools, senior citizens, hungry and homeless, animals and the environment, or help promote community enhancement.

We are recommending parents/guardians to help/assist their student in finding a safe environment to work on community service hours. Ideally, parents can be part of that project and work as a team. While working on a project, discussion can take place about the importance of giving back to the community and people in need as the Bible teaches, "...God loves a cheerful giver." (2 Corinthians 9:7).
