Matthew R Wines reviewed **Enlightium Academy** — 5★

July 13 at 8:54pm · 🌐

Our older children were in a traditional Christian school, but issues with obnoxious children and lack of communication from the teaching staff had us looking for options. We we're very happy with ECA and the type and quality of education. They enjoy a much more rounded history now and the Bible lessons are very appreciated. Sending them back again, and looking to increase the level for our oldest. Great communication from ECA.

Is Enlightenment Academy compliant with my state's distance learning requirements?

- Online private school vs. home school
- Education law varies by state
- Contact your local school district
- <https://www.hslda.org/laws/>

- Alpha Omega Publishing
 - Time-tested curriculum (since 1977)
 - Learner-centric model
 - Complete online text-based curriculum
 - Core subjects + Bible
 - Foreign language electives
-
