

Stay Connected—Enlightium Social!

Dear family,

As spring is slowly making its transition into summer, the end of the school year is quickly drawing closer. No doubt your family is preparing for road trips, family visits, and time spent in the beautiful weather.

While your family is enrolled at Enlightenment Academy (EA), we look forward to seeing your student grow and thrive, both academically and spiritually. But we also understand how important it is for them to have fellowship with their peers and to have a platform in which to discuss common interests and hobbies. That's why we want to introduce to or remind you of [Enlightium Social](#).

Enlightium Social is a social medium that functions quite similarly to popular social media outlets such as Facebook. However, eSocial is *only* accessible by Enlightenment students, teachers, and staff. This creates a basis in which students can connect with their peers and discuss interests and hobbies. Students are able to create groups in which they can invite other students who share the same passions and form discussions. eSocial is also monitored by Enlightenment administrators who help keep the social platform clean of inappropriate content, as well as honoring to God.

In addition to socializing with their peers, students registered with Enlightenment Social have access to numerous benefits that will promote connection within the student body, such as:

- Competitions and events hosted by Enlightenment.
- Connecting with the Student Council.

- Access to the Student Newspaper.
- Helpful groups designed to encourage student growth.
- The ability to conveniently join livestream Bible study sessions.

If you are interested in joining Enlightium Social, please visit enlightiumsocal.com and click on “**Register Account**”. From there, you will need to walk through a brief setup to begin your account activation. After your profile is complete, it will be submitted to an Enlightium Social administrator for final validation.

The screenshot displays the Enlightium Academy website interface. At the top, there is a blue navigation bar with a search icon, a 'Remember me' checkbox, and 'Login' and 'Sign Up' buttons. A red arrow points to the 'Sign Up' button. Below the navigation bar is the Enlightium Academy logo, which consists of a shield with a cross and a book, followed by the text 'ENLIGHTIUM ACADEMY'. Below the logo, a breadcrumb trail reads 'You are here: Home'. The main content area features a large image of five diverse students smiling. Overlaid on the bottom left of this image is a 'Get Connected!' banner with the text 'Invest in the Enlightium Academy community. Meet other students your age with similar interests!'. A green 'Register account' button is located on the bottom right of the banner, with a red arrow pointing to it. Below the banner is a login form with fields for 'Username', 'Password', and 'Authentication key', and a blue 'Login' button. At the bottom of the login form, there is a 'Remember me' checkbox and links for 'Forgot Username?', 'Forgot Password?', and 'Resend activation link?'.

Our staff members routinely review Enlightium Social to confirm that all content is appropriate and uplifting. We strive to continually bring a social platform in which students can feel safe and also engage with their fellow peers in an environment that spurs growth and creativity.

More *Stay Connected* letters can be found on the EA website on the [Resources page](#) under “Stay Connected.”

Cameron Purkey

Sales/Enlightium Social Coordinator

Cameron enjoys hiking, camping, and working on cars in his spare time. He also teaches a children's class at his church once a week and routinely looks to build up the college group that he is a part of.
