

ENLIGHTIUM ACADEMY

NNU Dual Enrollment/Concurrent Credit (CC) Checklist

Enlightium Academy (EA) students must meet the following criteria:

- Be a Junior or Senior
 - A high achieving Sophomore may be allowed to take a CC course with a counselor's approval
- Commit to the difficulty of college-level coursework
- Commit to completing the course by the end of the school year
- Pay the additional CC fee(s) within 30 days at the time of enrollment:
 - Silver students - \$600 per course
 - Silver Premium students - \$600 per course
 - Gold students - \$600 per course
 - Diamond students - no additional cost

NNU Dual Enrollment/Concurrent Credit (CC) Prerequisites: Minimum of 3.0 GPA and:

- **BIOL1040 Environmental Science (3 credits)** Prerequisites: Junior or senior standing
- **ENGL1020 English Composition (3 credits)** Prerequisites: English I, II, III, and Senior standing with a B average (Junior per EA counselor approval)
- **HIST1030 The World and the West I (3 credits)** Prerequisites: There are no course prerequisites
- **MATH1300 College Algebra (3 credits)** Prerequisites: Algebra I, Geometry, Algebra II
- **PSYC1550 Introduction to Psychology (3 credits)** Prerequisites: Junior or Senior Standing

To receive credit for the CC course, students must pass the class with at least a 2.0 GPA in the course, to be in line with NNU standards. If a student plans to drop a CC course, he/she must withdraw by November 15th in order to receive a partial refund. If a student withdraws after November 15th, he/she will not receive a refund, but the grade will not be registered at NNU and will not affect the student's GPA. Students have the option to drop a CC course until the last day of the term.
