Middle School Electives Supply List

HEALTH QUEST

General Purchases

Notebook and pencil

Unit 1

Experiment: Calcium

1 egg (hard boiled is less messy if you accidentally break it, but raw is fine too.)

Household vinegar

A clear, glass container large enough to hold the egg.

Unit 4: Play it Safe

Project: Fire Escape

Large piece of paper and pencil to draw out floor plan.

Access to the house to look for exits, etc.

Project: Safety Check

Optional: A printer to print out the safety check form

Access to the house to walk around and check for safety hazards

Project: First Aid Kit

Optional: Access to a printer to view the checklist

Access to the family first aid kit to make an inventory

Potentially the family will add to the first aid kit after the inventory

Unit 5: Being a Good Steward

Project: Recycle

Access to the family's recycling for a week
