

2025-2026 School Year Tuition

The following tuition rates apply to students with re-enrollment forms submitted in March 2025. The final tuition will be based on several factors including if your student takes premium electives or add-ons. Enlightenment's billing team will email you with the final tuition. Tuition can change during the year based on the selections you make.

The prepayment discount for re-enrollment forms submitted in March 2025 is 23% off tuition. The monthly installment arrangement for re-enrollment forms submitted in March 2025 is 12 monthly installments starting in the summer. The installment prices on this sheet do not include discounts, but please note that 10-20% discounts may apply.
