

# 9th Grade - Online Students Scope and Sequence

## CORE COURSES

In high school, students may not need to take all five core courses each school year. Counselors help students create each year's schedule based on Enlightenment's graduation requirements, the student's post-high school plans, and the student's interests.

Course	Typically Taken in Grade 9	Alternative Course Available Per Counselor Approval
Bible	<u>New Testament Survey</u>	
English	<u>English I</u>	
History	<u>World Geography</u> or <u>World History</u>	<u>State History</u> <u>The Vietnam Era</u> <u>Twentieth-Century American History</u>
Math	<u>Algebra I</u>	
Science	<u>Physical Science Lab</u> or <u>Biology Lab</u>	<u>Integrated Physics and Chemistry</u> <u>Human Anatomy and Physiology</u>

## CAREER & TECHNICAL ELECTIVES

Career Management

Art Appreciation A

Digital Arts

Essentials of Communication

Fundamentals of Digital Media

Music Appreciation

## HEALTH ELECTIVE

---

High School Health

## OFFLINE ELECTIVE COURSES

---

Offline Fine Arts Course

Offline Physical Education Course

Offline World Language Course

## PERSONAL PATHWAY ELECTIVES

Personal Pathway electives are courses that lead to a specific post-high school career or educational outcome. These classes are chosen by the student, based on the student's interest and their post-high school plan.

Personal Pathway electives may include any courses above and beyond a regular credit requirement for a subject, and they are intended to provide a focus for the student's learning.

Example: A student is interested in pursuing engineering after graduating. They have already taken the three credits of math required for an academic diploma, so their fourth credit of math could qualify as a "personal pathway" credit.

## PHYSICAL EDUCATION ELECTIVES
